CALLING ALL SEC 4 STUDENTS! THIS IS YOUR "LAST LAP"!
OCTOBER SCHOOL STUDY BREAK INTENSIVE REVISION

The two weeks study break is a "Super Crucial" stolen time to 'Grade Jump' & Reinforce Foundations before the final GCE 'O' Exam kick-starts – and in which every mark counts!

Most students are unable to find time to do a proper, full revision & preparation. Many do not know what the important topics and concepts are to focus on, and how to study effectively for the subjects.

Timely & skillful revision, exposure & practice of carefully-selected exam questions, "Just-in-Time" reminders of key concepts as well as common misconceptions to avoid ... Will make a HUGE difference to students' performance and grades!
